CORRIGENDUM

Reference to the advertisement (**Job Opportunity**) of various positions under Program published in different Newspapers (IPL-2581) dated **11-03-2026 & 12-03-2026**. It is hereby notified for the information of all concerned that:

- I. The post of **Screener - Mobile X-Ray Van (Sr. No: 13)**
 - a. The number of positions earlier mentioned as 01 shall be read as **03 positions**.
- II. The Following post of **Lab Technician – Gene X-pert Site** shall be considered as advertised.

Designation	No of Seats	Posting Station	Required Criteria/Qualification & Experience
Lab Technician – Gene X-pert Site	3	Field (BSL Labs in Punjab)	B.Sc. in Medical Lab Technology (relevant field), with at least 3 years of experience in a clinical microbiology laboratory. Candidates should have sound knowledge of laboratory principles, practices, and quality assurance procedures. Experience in AFB smear microscopy and Gene X-pert testing for TB will be an advantage. Selected candidates may be posted anywhere within the Provincial TB Culture/DST laboratory network after induction. Max age limit: 40 years.

All other terms & conditions, and last date of submission of applications shall remain same as mentioned in previous advertisement.

This corrigendum shall be treated as integral part of the original advertisement.
